THE COLLEGE OF PUGET SOUND, TACOMA, WASHINGTON,

MARCH 4, 1932

CENTRAL BOARD CHANGES BY-LAWS OF CONSTITUTION

General Manager to Administer Class Expenditures; Submit Amendment to Raise Student Body Fee

All proposed amendments to the by-laws of A. S. C. P. S. constitution were passed by Central Board at Monday's meeting. They will go into effect immediately. Next Thursday, March 10, the change in the constitution will be voted upon by the whole student body.

The substance of the passed amendments is as follows: The managerial system, in which there will be a manager for each sport, with the appointment made by the athletic committee, was adopted. A method of seniority will be followed by which managers of football and basketball must be seniors; of baseball and track at least juniors; of minor sports at least sophomores.

Limit Sweater Awards

Sweaters will be awarded to men making a varsity team letter requirements for the second year. However, letters will be presented each year. Seniors who win the varsity "P" for the first time in their senior year will receive a sweater.

The election of class officers will be held annually instead of semi-annually, with the exception of the freshmen, who will hold elections each semester. Class funds are to be incorporated into the A. S. C. P. S. financial system. Disbursements will be made by the General Manager only upon presentation of a requisition signed by class treasurer and class president.

The amendment to be submitted to the student body at election next Thursday, provides for a uniform class fee of \$.25 to be included in the student body fee at time of registration. The student body fee will be raised accordingly. The maximum fee which Central Board can ask will be \$10.00 instead of \$7.50. This provision does not necessitate a raise in student fees to \$10.00, but makes this the maximum amount which can be charged. Thus the fee may be increased by Central Board in case of an emergency.

Johnson, Disher Meet Parkland

A practice debate with the women of Pacific Lutheran College has been scheduled for this afternoon to precede the debate with W. S. C. Tuesday evening. The women chosen for the team which will meet both opponents are Georgia Johnson and Pearl Disher.

No decision will be rendered this afternoon but judges will be appointed for Tuesday's meeting. The Logger squad will take the affirmative side of the Pi Kappa Delta question in both debates, "Resolved, that Congress should enact legislation providing for the centralized control of industry—(Constitutionality waived.)"

Postpone Life Emphasis

Announcement has been made that Christian Life Emphasis Week, scheduled to begin next Monday, has been postponed until the following week.

Drewry To Issue Advertising Bulletin

In the first effort at making a bid for mid-Western and Eastern students for the College of Puget Sound, Dean Raymond G. Drewry is working in connection with the Chamber of Commerce to get out a bulletin advertising the College and its environs. Three thousand copies of these bulletins will be given to each of the four major railroads. These will be given to the station masters in each town and city, to be distributed among the school teachers of the communities.

These bulletins point out the apparent advantages that Tacoma presents to students in the temperance of the climate, and the wonderful combinations of swimming, boating, fishing, and mountain sports. Scattered throughout the pamphlet are numerous illustrations, setting off to advantage the beautiful scenes of the campus and the city.

College Program Offers Features

A new curriculum whose major features will be the treatment of every undergraduate as a "special student" in the selection of his course of study, the introduction of survey courses and comprehensive examinations, the recognition of the educational value of extra-classroom activities as projects in self-education and their incorporation in a new "integrated program" will be inaugurated at Allegheny College next fall, according to a recent announcement by President William P. Tolley.

The new program is the result of two years of study on the part of a faculty committee and is based on recommendations which have been approved by the Allegheny faculty and will become active factors in the school's curriculum next fall. Important among these recommendations are those calling for:

(1) The origination of an individual curriculum for each student planned from the beginning of the freshman year according to individual capacities.

(2) A closer articulation of high school and college programs of study so to reduce unnecessary duplication of course materials and insure a well-balanced curriculum. Fixed requirements of admission will be liberalized and emphasis placed upon native intelligence and scholastic aptitude as revealed through tests given during Freshman Week and designed to determine the courses for which the student is ready.

(3) The planning of programs with reference to the vocation or profession which the student is planning to enter as well as to intelligent citizenship and the wise use of leisure.

(4) Comprehensive examinations at the end of the sophomore and senior years which will reduce the emphasis on specific courses and semester examinations. In preparation for the examination at the end of the sophomore year, survey courses in the following fields will be introduced: natural science, social science, literature, fine arts, religion.

(5) The frank recognition of extra-classroom activities as projects in self-education. While these activities will continue under the leadership and control of the students, there will be faculty cooperation and supervision and a limited amount of credit toward lower level requirements given to students participating in them.

LOGGERS CLOSE HOOP SEASON

Albany, Bellingham Normal Are Defeated

Victories over Albany College and Bellingham Normal last Friday and Saturday evenings put the finishing touches on the College of Puget Sound basketball schedule for 1932. Albany, Friday's opponent, was easy prey to the fast passing attack of the Loggers, and succumbed, 45 to 28. The Lumberjacks journeyed to Bellingham for Saturday's game, winning by a 30 to 26 count.

Albany's one-point win over the Loggers on the recent Oregon trip added incentive toward a victory over the Pirates Friday night, and the Puget Sound cagers started with a rush, tallying 16 points before Albany hit the hoop. The count was 18 to 3 at the half.

Abandoning their delayed offensive during the final period, the Loggers used the quick break, and, although they scored 27 points themselves, they also allowed Albany to score 25.

Stan Bates, with 11 points, led the C. P. S. scorers, but Elder, flashy little forward for the invaders, took the honors with 13.

Few reports on Saturday night's game were available except that it was fast and hard-fought all the way. Roy Carlson's play in both games tabbed him as a comer, and Logger supporters are expecting a lot from him next year.

The summary for the season:

U. of W.	64—C. P. S.	28
Reed	23—C. P. S.	60
Reed	22—C. P. S.	46

WANDERING BELL DISCOVERED ON C. P. S. CAMPUS

That some college student was merely satisfying some repressed desire or libido, and was not committing the crime with malice aforethought, is the verdict expressed by the authorities in regards to the theft of a huge church bell sometime last week. The bell, in transit from McNeil's Island to the First Lutheran Church at South 6th and Eye Streets, was discovered last Monday morning on the northeast corner of the campus.

According to Rev. Swenson, pastor of the church of its destination, the bell had been the property of a Lutheran church located upon McNeil's Island many years ago. When the government bought the land for the Federal Prison now located on the island, the church was dismantled and the bell stored away. It was recently brought out, dusted off and sent on its way to the Tacoma church. The bell was deposited in the alley behind the church last Saturday and a report was carried in the Monday morning paper of its theft over the weekend. The school authorities then made known their find.

COMPLETE PETITION FILINGS; HIGH INTEREST DISPLAYED

Adams, Renschler, Mattson Candidates for President; Twenty Petitions Entered for Central Board Offices; Class Representative Competition Close; Seven Nominated for May Queen

With campaign speeches scheduled for next Tuesday during chapel period, the political situation at the College of Puget Sound will reach its crisis at that time. Tuesday during the "election" assembly, students will be able to formulate their opinion of candidates running for student body offices and activity managerships.

ANNOUNCE GOETHE ESSAY CONTEST

Open to Undergraduates of the United States

An invitation to participate in the National Goethe Essay Contest for undergraduates was given chapel period Friday by Professor Julius P. Jaeger. It is sponsored by the Carl Schurz Memorial Foundation in commemoration of the 100th anniversary of the death of Goethe, greatest of German poets. Undergraduate students of the colleges and universities of the United States may submit entries.

In order to win one of the seven prizes, which total \$900, one of the following subjects must be chosen as the topic of the essay; "Goethe's Conception of Personality," "The Art of the Youthful Goethe (to 1776)," or "Goethe as a Lyric Poet." The essay may be written in either German or English, and double prizes are offered for both first and second place. First prize in English is \$200 and first prize in German is similar. The two second prize essays in English and German will receive \$100 respectively. The other five prizes will be selected from either German or English writings, but two prizes will not be given for each rating. Honorable mention will be awarded to a small number of meritorious essays. The announcement of the awards will take place during December 1932.

Any undergraduate student who is interested in this contest which closes on September 15, 1932, should see Miss Linda Van Norden or Professor William H. Maris for specific rules.

Social Science Club Sponsors Program

The College of Puget Sound chapter of Pi Gamma Mu, the national scholastic social science fraternity, has invited all friends and members to an afternoon and evening program at the College, March 10.

At two o'clock in the afternoon the topic will be, "The Japanese in the Pacific Northwest." John Rademaker will be the leader. The evening meeting at 7:30 will be presided over by Professor Herman Hausheer, and the subject will be, "Causes and Remedies of Unemployment Relief." The points of the topics will first be presented by the leaders and a round table discussion will follow.

Dinner will be served at the College Commons for 50 cents as a convenience for those who wish to attend both meetings.

The fraternity has sent 70 or 80 invitations to the active and inactive members and is inviting all the students of the college to come and bring their friends.

A close race is expected to develop for the selection of student body president. The three men running for this office are Dick Adams, Fred Renschler and Herman Mattson. Their platforms will be announced in Tuesday morning's speeches.

Interest has run high, but a new high is expected to be reached next week after campaign speeches are given and the platforms of the various candidates disclosed. Complete campaign platforms were not available for this week's Trail.

Many Petitions Received

An exceptionally large number of petitions were received by Georgia Johnson, student body secretary, 20 in all, in addition to the committee nominations for student publications, activity managers and May Queen. No petitions were received for the last group, although this was possible under the decision of the various committees. Four o'clock yesterday afternoon was the deadline for receiving petitions.

Irene Heath Nominated

The unexpected occurred late Thursday afternoon when the nomination of Irene Heath for the office of vice-president was announced. For a while it looked as if Elsie Korpela, the only other candidate for the office, would run unopposed. The office of treasurer is an appointive one.

Candidates for May Queen are Mary Garnett, Alpha Beta Upsilon; Georgia Johnson, Delta Alpha Gamma; Thelma Gander and Marjorie Gardner, Kappa Sigma Theta; and Frances Bjorkman and Carol Hanson, Lambda Sigma Chi. These women were selected by a committee

SQUAD DEFEATS WILLAMETTE U.

Debaters Take Victory on Industry Question

J. Herman Mattson and Charles Thomas, representing the affirmative of the question "Resolved: That Congress should enact legislation providing for the centralized control of industry (Constitutionality Waived)," defeated Willamette University by a 2-1 decision last Monday night. Opening the debate with the first constructive speech for the affirmative, Herman Mattson presented several arguments that the opposing team were unable to refute, and which were later strengthened by Charles Thomas in his speech. However, the negative, with astute insight, showed in several ways that the plan, as presented by their opponents, was not infallible. Both teams presented their arguments in an enjoyable form, but there was no doubt as to which team won the debate.

M. J. Downing, principal of the Central School; Reverend J. Franklin Haas, pastor of the First M. E. church; and A. L. Daniel, member of the Stadium faculty, were the judges.

Campus Organizations Hold Formal Initiations Wednesday

Alpha Beta Upsilon, Sigma Mu Chi, Delta Pi Omicron Have New Members

Formal initiation ceremonies have been the feature of social activities this week. The groups taking in new members are Alpha Beta Upsilon sorority, Sigma Mu Chi fraternity and Delta Pi Omicron fraternity. Alpha Beta Upsilon sorority held formal initiation ceremony for eight new members, Wednesday, in the little chapel. This was followed by a dinner at the sorority house, in charge of Irene Heath, Harriet Magill and Anita Kachulis.

The affair began at six o'clock and was led by Doris Wakefield, president, and Harriet Magill. The new members were entertained at a dinner by the older girls, later in the evening. Appointments were in yellow and lavender, sorority colors, with daffodils arranged for a centerpiece.

The latter part of the evening was filled with talks by Frances Kelly, Edith Gustafson and Miss Olive Brown, sorority adviser, interspersed with musical numbers by Mary Malone. At the end of this program the freshmen sang the new Beta song, composed by Edith Coffman.

New sorority members are: Betty Ogle, Sarah Tierney, Aetna Timmermann, Edith Coffman, Rose Kaminski, Mildred Grosser, Geneva Hubly and Frances Kelly.

Fraternity Initiates

At a very impressive ceremony at the Immanuel Presbyterian Church, pledges of the Sigma Mu Chi fraternity were formally initiated Wednesday evening. The traditional ritual was carried out with pipe organ music adding beauty and dignity to the occasion. A reception at the fraternity house was held afterwards in honor of the new members with Robert Strobel in charge.

The following men were initiated: Kenneth Powers, Richard Walmer, Delmore Martin, John Bennett, Err Ellis, Jack Evans and Creighton Flynn.

Delta Pi Omicron

Delta Pi Omicron fraternity had its formal initiation Wednesday evening in the Ionic Room of the Masonic Temple. After the ceremony a program was presented with Wallace Drake speaking on fraternity traditions and Burton Kreidler giving some of his travel experiences. C. Wallace Niesen presided during the initiation and a committee of William Elwell and Russell Schmidt arranged details.

New members are Carl Andrisek, Frederick Brown, Harold Bowers and Elmer Tveter.

NEW NAMES ON CLUB ROLL

New members of the Biology Club were elected at a recent meeting. These students complete the roster of charter members of this club, the newest of college organizations. In keeping with the purpose of the Biology Club these members were chosen from students particularly interested in biology.

The names of the students invited to membership are: Francis Bjorkman, Wallace Drake, Harold Johnson, Dick Link, Katharine Mann, Bernice Martyn, Spencer Matney, Mabel Miller, Ruth Parker, Wilma Sells, Russell Smith, Bob Strobel, Paul Suzuki, Sarah Tierney.

SORORITIES HAVE VARIED PROGRAMS

Delta Alpha Gamma Sorority Has Dinner

Sororities of the campus met Wednesday and enjoyed varied programs. Delta Alpha Gamma were at the home of Patricia Flynn, 3802 South Thompson, for a pot-luck dinner. Patricia Flynn and Pearl Disher were in charge. Myrtle Itter read "Pair of China blue eyes" and Patricia Flynn spoke to the group. Mary Agnes Ferrier presented an interesting dance.

Lambda Sigma Chi sorority had an evening meeting at the home of Celia Grace Scofield. Special guests at this session were Mrs. Nels Eric Johanson, Mrs. John Cromwell, Miss Marjorie Dilley and Miss Mizpah Palmerton. A business meeting followed with Carol Hanson presiding.

Members of Kappa Sigma Theta sorority were entertained by a debate with Elza Dalgren and Bernice Martyn as negative speakers while Dorothy Foxwell and Garnet Paulson upheld the affirmative. The subject discussed was, "Resolved: that there should be elevators installed at C. P. S. for the benefit of tired students."

Remember April Fool's

April Fool's—day of destiny! In more ways than one, as all C. P. S. will not be slow to learn. Save the date—hours 3 to 5 P. M.—everybody in school invited!

Remember—and learn the reason in future issues of the Trail.

DELTA PI OMICRON ALUMNI ENTERTAIN ACTIVE MEMBERS

Alumni of Delta Pi Omicron fraternity have announced an informal dance and card party for this evening in Mahogany hall. The affair is for men of the active chapter and friends. Tables for both bridge and five hundred will be arranged for those who prefer cards to dancing, and late in the evening supper will be served.

Decoration motifs are being kept as a surprise by the committee in charge and preparations are being made for more than fourscore guests. Mr. and Mrs. Wallace Petty and Mr. and Mrs. George P. Fitch are patrons and patronesses.

WEDDING NEWS IS ANNOUNCED

Miss Pauline Peterson, Sophomore, Marries Charles Williams

Of interest to college friends was the announcement Saturday evening, February 29, of the marriage of Miss Pauline Peterson to Charles Williams of Astoria, Oregon. Mrs. Williams, a sophomore at the College of Puget Sound, is the daughter of Mrs. Louella B. Peterson. The news was discovered by Miss Helen DeLine, a former C. P. S. student, in a lovely corsage presented for honors at cards, when guests assembled at the Peterson home on North Yakima Avenue.

The wedding was solemnized January 18 in Seattle, the bride then at Washington State College, coming over for a very quiet ceremony. The young couple will be at the Peterson home until their own plans are made.

Appointments at the card tables were in flags and tally cards for military bridge with miniature forts at the center, and the rooms attractive in baskets of foliage and shaded lamps. For the late supper the table had a lace cover, rose tapers and a center bouquet of spring flowers in tulips, carnations, daffodils and rosebuds. Following a sorority dance at the Country Club a group of C. P. S. college friends came in to hear the news.

BOLIVIAN STYLES ARE DISCUSSED BY MRS. ROBBINS

Illustrating her talk by souvenirs and costumes Mrs. Charles Robbins, professor of Spanish, entertained the members of the Y. W. C. A., Tuesday. Thelma Melsnes, program chairman, introduced Mrs. Robbins to the girls and gave her the entire meeting for her interesting discussion.

"Since the invasion of the Spanish in Bolivia 500 years ago the styles have remained the same," related Mrs. Robbins. "Although the ladies of Bolivia wear the latest Parisian fashions the characteristic shawl headdress has remained the same," was another interesting statement.

Mrs. Robbins told of the characteristic dress of the Indian girl and the lady of Spanish descent. At the close of the talk, the speaker exhibited some hand made lace worn by the half-breed women of Bolivia.

Delta Kappa Phi To Have Dance At Bonneville Hotel

Springtime Motif to Be Used in Decorations And Favors

Delta Kappa Phi fraternity will be host Saturday evening at a dinner dance at the Bonneville Hotel. A springtime motif has been chosen for the affair which promises smartness in appointment. Dinner is planned for 7 o'clock. Patrons and patronesses invited are Mr. and Mrs. Charles F. Mason and Mr. and Mrs. W. H. Maris. Arranging the dance are Ross Mace, Eugene Piety and Lloyd Searing.

MOTHERS' GROUP PLANS LUNCHEON

Daughters Are Entertained at Meeting

The Mothers' Club of Kappa Sigma Theta sorority held its regular monthly meeting last Friday at the home of Mrs. Theodore Lynn. It was in the form of a mothers' and daughters' luncheon, as will be the next meeting at the home of Mrs. N. C. Henricksen. Mrs. Lynn was assisted by Mrs. J. W. Mann and Mrs. Hunter Kennard, who read several poems for the afternoon's program.

It was decided to have these luncheons for social purposes alone, unless there is some special need for assistance of the sorority by the mothers.

Y. W. C. A. To Elect

Y. W. C. A. members will elect new officers Tuesday, March 8, in the little chapel, during the regular chapel period. Suggestions for the elective cabinet offices have been made by the nominating committee. Nominations will also be made from the floor. Selections are president, Elsie Korpela; vice president, Mildred Schaad and Grace Weller; secretary, Marian Sherman and Elizabeth Spencer; treasurer, Josie North and Katharine Mann; undergraduate representative, Lois Twaddle and Betty Williams.

Gamma Mothers' Club Has Meeting

Mothers' Club of Delta Alpha Gamma sorority met Tuesday at the home of Mrs. Herbert Cochran for a bridge luncheon. The affair was scheduled for one o'clock with Mrs. Robert Poole assisting Mrs. Cochran. A business session followed.

Cagers Enter In Fifth Week Of Competition

Chi Nus Forced Into Overtime Period by Delta Kapps

INTRAMURAL BASKETBALL STANDINGS

Team	Won	Lost	Per- cent.
Sigma Zeta Epsilon	4	0	1.000
Alpha Chi Nu	3	0	1.000
Outlaws	2	0	1.000
Sigma Mu Chi	2	1	.667
Delta Pi Omicron	2	2	.500
Delta Kappa Phi	1	2	.333
Nippons	0	3	.000
Peter Pugets	0	3	.000
Independents	0	4	.000

Schedule

Tuesday—12:05, Sigma Mu Chi vs. Delta Kappa Phi; 1:05, Peter Pugets vs. Independents.

Thursday—12:05, Alpha Chi Nu vs. Nippons; 1:05, Outlaws vs. Delta Pi Omicron.

This week found the three leaders still remaining undefeated. Two of the teams won their games, while the third remained idle. The closest game of the season was played Tuesday when the Alpha Chi Nu and the Delta Kappa Phi ended the game in a 15 to 15 tie. In the final seconds of the overtime period the Chi Nus sunk two baskets to win the game.

Peter Pugets vs. Zetes

The Sigma Zeta Epsilon fraternity won its fourth straight game when it downed the Peter Pugets by the score of 25 to 5. Although the Zetes

'SANDY' SCHEDULES DIAMOND TURNOUTS

With the advent of spring weather, Logger athletes will soon turn their attention to baseball. Roy Sandberg, who will handle the Maroon and White diamond pastimers this season, has set March 15 as a tentative date for the initial turnout.

All those who intend to try for places on the team are asked to sign up with Coach Sandberg.

had the game well in hand during the entire encounter the Peter Pugets held them to five points during the second half. The score at the half was 20 to 2. Linn scored all the points for the losers.

Summary:
Peter Pugets (5) (25) Sigma Zetes ChardF. (7) O. Heg'ness Linn (5)F. (2) K. Heg'ness McElroyC. (6) Weick ElwoodG. (5) Ennis VitousG. (4) Black

Substitutes—Independents: Jablonski, Kisducak and Smith. Zetes: Davison, Moline, Pettibone and Woodard (1).

Referee, Ed McCoy.

Chi Nus vs. Delta Kapps

In the biggest surprise of the season the Delta Kappa Phi team outfought the Alpha Chi Nus and at the end of the regular playing time the score was 15 to 15. In the overtime period the teams battled on even terms until the final 30 seconds when the Chi Nus scored two baskets to win the game 19 to 15. Ollar led the losers with 10, while Montgomery and Brotman each collected 6 for the Chi Nus.

Summary:

Mu Chi vs. Nippons

Thursday noon found the Sigma Mu Chi fraternity defeating the Nippons by the score of 20 to 10. The play in the first half was all in the Mu Chis favor, while in the

LAMBIDAS IN WIN OVER THETA TEAM

Grace Weller, Marguerite McCaskey Star for Winners

Lambda Sigma Chi sorority provided a minor upset in the sorority basketball league Wednesday noon when they defeated the strong Kappa Sigma Theta sextet, 21 to 20. The Lambdas had scored 9 points before their opponents could find the basket, though the Thetas crept up to within three points of the victors at the half, the score being 12 to 9 at that time.

The last half proved to be a hectic battle, with the lead being scored back and forth five times in the last quarter.

Dora Langton held high point honors for the game with 14 points while Grace Weller led the winners with 13 points.

The lineup follows:

Lambdas Thetas
G. Weller (13)F. (14) D. Langton W. Holm (8)F. (6) D. Foxwell M. McMasterSC. T. Gander E. PowerC. B. Brumbaugh J. RaleighG. E. Korpela M. McCaskeyG. M. Langton Substitutes: Theta—Melba Alleman (6).

The remaining schedule for the sorority games finds the Lambdas opposing the Independents this noon, and the Thetas meeting the fast Gamma team next Monday, March 8. The sorority standings including last Wednesday's game are:

	W.	L.	Pct.
Delta Alpha Gamma	3	0	1.000
Kappa Sigma Theta	2	1	.667
Lambda Sigma Chi	2	1	.667
Independents	1	2	.333
Alpha Beta Upsilon	0	4	.000

ED MCCOY WINS MARATHON RUN

Forced to break his own record in order to beat off the onslaught of Paul Kohler, freshman and a virtual unknown among track candidates, Eddie McCoy, star miler and two-miler, lowered his 1931 cross country mark by nine seconds in yesterday's run, covering the distance, slightly under two miles, in 9:55! Mark Whitman, running consistently, was third in 10 minutes flat.

Bill Wood, another freshman, was fourth, despite the fact that he ran a large part of the race with only one shoe. Other entries, in the order they finished, were Bill Command, Monty Pemberton, Ray Amey, Murray Johnson, Owen Gallagher, Frank Heuston, Helge Nelson and Benny Rome.

second half it was even. The fraternity men led 10 to 1 at the half. West collected 12 points for the winners.

Summary:
Mu Chi (20) (10) Nippons West (12)F. (5) Fujita Innis (2)F. Mayeda Raleigh (6)C. Nakamura LinkG. (3) Kuromoto R. CampbellG. (2) Campbell Substitutes—Mu Chis: Scott. Referee, Clifford.

Omicrons vs. Independents

In a slowly played game the Delta Pi Omicron fraternity won from the Independents by the score of 21 to 5. The game was slow and uninteresting with the Omicrons in the lead all the way. Kimball led the scoring with 8 counters.

Summary:
Independents (5) (21) Omicrons Hanson (3)F. (2) Onstad ZittleF. (2) Steele JablonskiC. (6) Sexton Taft (2)G. (8) Kimball SpragueG. (3) Cleveland Substitutes—Omicron: Farmer. Referee, Roy Carlson.

LOGGER SQUAD OPENS SPRING TRAINING; GRID VETERANS APPEAR FOR PRACTICE

Sandberg Announces Change in Player's Positions; Team Will Adopt Shift Style of Play; Twenty-Four Men Out for Pre-Season Instruction

Determined to bring the Northwest Conference football championship to the College of Puget Sound for the 1932-33 season, 18 gridiron warriors under the tutelage of Coach Roy Sandberg began spring practice Monday. The number of men turning out increased to 24 at Tuesday's practice and when the sessions reach their height, about 28 candidates will turn out regularly.

Grant Announces Tennis Tourney

Tennis players will be given another week in which to sign up for the all-college tennis tournament, was the announcement made Thursday by Louis Grant, athletic instructor. To date 13 men have shown their intention to play.

According to Mr. Grant only four men will be needed, Joe Rawlings, Gene Piety, Govnor Teats, and Roy Norman. The last three named are lettermen from former Logger teams while Rawlings played on the varsity squad at Stadium High School.

Following is a list of those who have already signed to play: Ed Rich, Eugene Piety, Preston Onstad, Kenneth Ollar, Govnor Teats, Joe Rawlings, John Aston, Roy Norman, Ray Robbins, William Sherman, Vernon Birch, Karl Andrisek and William Cleveland.

APPLETON COLLEGE AIDS UNEMPLOYED

A program of educational service for unemployed persons, comprising two and possibly four different fields of activity, was launched by Lawrence College, Appleton, Wisconsin, at the beginning of the second semester. Properly qualified persons are now allowed to take full-time work at the college without charge and, if their standings are good, to have it credited toward a degree at Lawrence or any other college. Persons who have special capacities, who have completed part of their college work, or who have been graduated from some college or university are permitted to take special work, either on a part or full-time basis, without payment of fees. They are not held to ordinary curricular requirements but are assigned to whatever classes are of most interest to them.

Lawrence is also ready to provide popular lectures on a considerable range of subjects if enough unemployed persons demand them to make the service worth while. The same condition applies to a recreational program now under consideration. If put into effect, the latter plan will make the new Alexander gymnasium available for basketball, boxing, wrestling, swimming and other sports free of charge. Admission to these privileges will be given to men and women bearing cards from representatives of civic unemployment committees in Appleton and neighboring cities.

TENNIS GOODS ON SALE

In a short time tennis equipment will be available at the book store. It will be a very high grade of goods and will sell at a much lower price than at other places.

If students wish to have films developed free, they can do so by buying them at the book store. One day service is guaranteed.

Boys! If you are thinking Clothing, a Hat, a Union Suit, or a pair of Socks, see—HY MANGLES—948 PACIFIC—where you will find brand new merchandise at new Low Prices and with conscientious treatment. Suits as low as \$20. Hats as low as \$3.50. A perfect fit guaranteed.

The practices are not limited to lettermen, and anyone who desires to try for a position on the Maroon and White aggregation is asked to get in touch with Sandberg as soon as possible. With a small squad to handle, he will be able to give individual instruction and to concentrate on the weak points of each player.

Although the practices were to last for a period of six weeks, one week will be lost because of spring vacation early in April. In the short time available, Sandberg is bending every effort in stressing fundamentals, plays and style of plays.

When the Loggers take the field for their first encounter of the coming season, an important change will be noticed in the style of play used. Instead of the type used last season, Sandberg intends to introduce the shift for his team's use.

During practice some important changes have been made in the positions of a few of last year's veterans. Ken Bourke, who alternated at center and tackle, has been changed permanently to tackle, and Roy Carlson, one of the tackles of last year's aggregation, has been shifted to the fullback position. Another contemplated change is the shifting of Warwick from guard to end. However, Sandberg is not certain as to making it as yet.

Jack Kimball, who was kept out of competition last year, is receiving much attention during the spring drills and will undoubtedly be one of the mainstays of the Logger team.

"Coke" McConnell is another likely looking prospect who was kept out of competition last season. Among the men who were ineligible during the past season but who will undoubtedly see plenty of action this fall are, Roy Dunning, a transfer from Washington State College; Herb Short, a member of the 1930 Oregon State frosh team; Judy Davison and Walt Miller, who had some experience on the University of Washington frosh. Don Turner, from Bellingham and Chambers and Roberts of the Fireman squad will also make a bid for positions on the C. P. S. eleven.

Veterans who have been going through their paces this week are: Burdette Sterling, Art Bagley, Ted Warwick, Jack Slater, Jack Sprenger, Kenny Bourke, Roy Carlson, Carl Brusch, Jimmy Ennis, Parks Gagnon, Martin Hoidal, Bob Hurworth, Ed Mura, Dean Pettibone, Cliff Sexton and Al Casperson.

Reed Defeats Local Squad in Handball

Disaster was the fate meted out to the C. P. S. handball team in its invasion of Oregon, last week-end. Milt Woodard, Leonard Moline, Gerald Hanson, and J. Herman Mattson composed the team which opposed Reed College of Portland. Three single and two double matches were played. Woodard, Moline and Mattson made up the singles squad while Mattson and Woodard, and Hanson and Moline were paired off in the doubles. All the games were close but the local squad failed to win any match.

A return meeting has been announced for some time in the future but as yet the date is very indefinite. This match will be played on the handball courts of the Tacoma Y. M. C. A.

NO FRESHMAN SWEATERS

Central Board made a bold but justifiable by-law to the constitution when they limited the granting of athletic sweaters to two or more year letter men. This limitation does not effect seniors winning an award for the first time, however. At first such a by-law seems too limited and rather narrow on the part of the governing body, but on second thought it is an easy way out of a perplexing situation.

A year ago this spring when the athletic awards were made, 43 sweaters were presented, with 23 of them going to freshmen. This brought about an overabundance of Logger sweaters and somewhat drained the college fund. Stop and think of what was spent for these awards! The retail price is \$15, and under contract they are obtained for \$11, making a grand total of \$473. When the world was full of money and everyone prospered, nothing was thought of shelling out a mere \$500 or more for gay raiment with which to adorn our athletes.

In spite of this you lament, "Didn't the fellows earn their sweaters? Then why begrudge them these presents?" Central Board does not mean to deprive students of their hard earned awards. Neither does it mean to discourage athletics, but instead to discourage "tramp athletes" from using our college as a stopping off place, being given preference over local men when jobs are passed out and making a large collection of "souvenirs" before they leave town. This situation is abominable and evident to every student in school. Perhaps this restriction by Central Board will remedy the problem to some extent, but no matter what improvement is made, the change will be welcomed with much appreciation. —B.

A METHODIST CRIME WAVE

New color and interest has been added to Wednesday night fraternity meetings with the birth of a midget crime wave on "fraternity row" of our college. Instead of the usual midweek dances and card games after meetings, Greek letter men can now amuse themselves in chasing sneak thieves who persist in raiding cars parked in front of the "houses." Reports have reached the Trail office of such robberies having occurred this week. **Moral: Do not leave books or any valuables in your car unless it is locked. Roll all the windows up!**

The problem offers a new use for pledges! Station several of the neophytes at intervals along the parking strip and arm them with heavy paddles. Give them permission to "swing into action" on all suspects at the least provocation. This should give them an outlet for their peevishness against members. Another probable solution for protection would be to have the Knights of the Log on constant guard. Such police duty might serve to revive interest in the near-defunct pep organization. —B.

STUDENTS BEWARE OF AUTO THIEVES!

Students parking cars in front of fraternity houses on Wednesday evenings are warned not to leave books or other valuables in the machines. Fraternity men have reported articles being stolen from their automobiles of late.

Delta Pi Omicron fraternity members announced Thursday they had seen sneak thieves prowling around one of the houses Wednesday night. Any suspected thievery should be turned in at once to the Tacoma police!

Forestry Prospects Small

"Nothing definite is known yet regarding summer work for students seeking employment in blister rust work of the forest reserve," reported Dr. E. E. Hubert, acting dean of the forestry school at the University of Idaho. Dr. Hubert made this announcement recently, after a conference with S. M. Wycokoff, chief of the western division of blister rust control, B. A. Anderson and C. C. Strong, from the Spokane offices.

This announcement does not hold much hope for College of Puget Sound forestry students, who rely on this field of summer work to defray college expenses.

NOTED JOURNALIST CHANGES WESLEY'S "HAPPINESS RULE"

William Allen White, the editor of the Emporia Gazette, has a considerable affinity for John Wesley, who laid down the rule, "make all you can, save all you can, give all you can." Mr. White puts it a little differently. In turning over the deed for a 50-acre park which he had presented to the city of Emporia, he said:

"This is the last kick in a fistful of dollars I am getting rid of today. I have always tried to teach you that there are three kicks in every dollar, one when you make it—and my father's forebears were Yankees, and how I do love to make a dollar! The second kick is when you have it—and I have the Yankee lust for saving. The third kick comes when you give it away—and my mother was Irish, and that's why the big kick is the last one."

CANDIDATES NAMED (Continued From Page One)

of juniors upon the basis of service to the school.

Department candidates, as selected by the committees in charge, are: Trail editor, Robert Sconce; Trail business manager, Franklin Walbridge; Tamanawas editor, Jack Mattson; Tamanawas business manager, Dick Zehnder; music manager, Preston Onstad; debate manager, Bob Burrill and Chas. Thomas; dramatic manager, Morris Summers; women's athletic manager, Emily Nightingale and Winifred Holm; sophomore representative, Arthur Linn, Fred Brown, Katharine Mann and Vendella Sterling; junior representative, Jack Sprenger, Bob Raleigh and Bill LeVeque; senior representative, Pearl Disher and Rex Weick; yell king, Ed House, Seth Innis, Bob Summers and Lawrence Hedrick.

TRIMBLE SPEAKS ON CHINESE HERBS

"Chinese Doctors and Medicine," was the subject of a talk given Thursday during a session of the Pacific Rim history class under Prof. Walter S. Davis. Dr. C. G. Trimble, a medical missionary to China for several years, was the speaker. Dr. Trimble displayed herbs and medicines used by the Chinese. Other talks will probably follow this one, which was the first of the semester.

The class is at present studying the Chinese situation, the tariff, and extra-territorial problems. The study of Japan, Australia, Alaska and all other countries which border the Pacific is included in this course.

Physics Department Obtains Photo Cell

A new photo-electric cell, used for transmitting pictures by wire, has been added to the equipment of the Physics Department. This cell employs a highly sensitive light disk which transforms light energy directly without the use of any auxiliary apparatus or battery.

As far as is known, the life of the cell is practically unlimited. Since it does not contain any liquid, or require vacuum or gas, there is nothing to get out of order. It is not subject to physical or chemical change and it has a constant output.

Scout Leaders Offer Training

A Girl Scout Leaders' Training course is being offered here to women of the college who wish to learn to lead groups of young people. About 20 have signed up for the course, which began Tuesday of last week. Miss Thelma Mellick of San Francisco is leader of the group.

Meetings of the group held at 3:15 in the Lambda Sigma Chi room, are conducted like Girl Scout meetings, with those in the course studying both the attitude of the girls who are members and the women who are leaders.

Students enrolled are: Jane Greiwe, Jean Fuller, Dorothy Walker, Nina Ball, Cathryn Drushel, Marguerite McMaster, Mary Garnett, Margaret Boyd, Mary Harrison, Colette Mari-Hart, Elza Dahlgren, Mrs. Ray, Bernice Hull, Marion Ray.

Students Harass Employment Agency

Probably the most harassed man in the Iowa City, Iowa, is Arthur Lentz, who is manager of the student employment service of the State University of Iowa. Very recently the last of the banks in that city closed its doors, carrying away the reserve funds of students and townspeople alike. Mr. Lentz states that already he has had more than 2000 applications for work and help from students affected by the conditions there. The university helps as best it can by employing 1100 students three or more hours daily. The institution naturally faces a drop in enrollment this coming semester and there is little those in authority can do about it.

STUDENT LETTERS

Students desirous of airing "pet peeves" concerning college questions are invited to mail their criticisms to the Trail. Use discretion in your letters, and endeavor to keep them above the "slightly pink" classification. All criticisms need not be destructive!

—The Editor.

Drewry Instructs Teachers

Dean Raymond G. Drewry is conducting two classes of Tacoma school teachers in a course of supervised study methods. About 75 are enrolled in the classes, of which one meets at 4:00 P. M. each Monday at the Central School, and one Tuesday at 8:00 P. M. at C. P. S.

"It is very unusual for a public school system to accept such training from a denominational school," said Dean Drewry. "It speaks well for the work of the College."
